DEDICATION

Mrs. J. C. Porter

Mr. Don Odneal

Hard working, patient, and loyal describe Mrs. J. C. Porter and Mr. Don Odneal. Mrs. Porter was a distinguished teacher at W.F.H.S. for fourteen years. In addition, she devoted much of her time in assisting the Coyote annual staffs for seven years. Her cheerful attitude and kindness are missed by both students and teachers.

Mr. Odneal came to W.F.H.S. in 1961 as a social studies teacher. He became head of the photography department two years later. The excellent pictures in the yearbooks and newspapers were assured through his leadership. He also helped both students and teachers in the Audio Visual department.

The Coyote annual staff wishes to express its appreciation by dedicating the 1976 Coyote to Mrs. J.C. Porter and Mr. Don Odneal.

Betsy,
 To a real sweet and
 very cute friend that
 I care for alot. I hope
 you have a great future
 and I'm sure you will.

Always stay my friend
 and you must sign my
 annual. God Bless ya.

Yrue.

Hail to our colors,
Hail to our school,
We'll back you forever;
That is our rule, together;
Onward to Victory,

In winning or losing,
We'll honor your name.

School Prayer

Dear Lord,
 In the game that goes on tonight,
 We ask for a chance that is fair,
 A chance that is equal, just and right
 And the courage to do and to dare.
 If we should win, let it be by the
 code,
 With our spirits and courage held
 high.
 But if we should lose, let us stand by
 the road
 And cheer as the winners go by.
 In his name. Amen.

1975 COYOTE

The Coyotes, who brought a strong ground attack into the 1975 season, produced their first 1,000-yard runner since 1971. Several players received post-season honors as they led the Pack to a 5-4-1 record.

Traveling to Lubbock for their first game of the season, the Coyotes came away with a 6-0 victory over the Colorado Mustangs. The only other non-district game was played in the friendly confines of Memorial Stadium. The outcome was disappointing, however, because a missed

extra point enabled the Kimball Knights to defeat the Coyotes 7-6.

In district play, which began against the Rams of Mineral Wells, the Coyotes recorded a 20-13 win. During their next game against the Haltom Buffaloes, the Coyotes quickly spotted them a 20-0 lead. The Pack charged back, but the clock ran out with the game ending 20-12. The Coyotes got back on the winning track against Trinity with the score 21-7. The Pack thoroughly out-played the

FOOTBALL

Bell Blue Raiders; yet, the game ended in a 14-14 tie.

The second half of the district schedule opened in the nightmarish Birdville Stadium where the Coyotes faced the Richland Rebels. Nothing went right for the Pack, and they suffered a 42-0 defeat. The Coyotes gained some measure of revenge a week later against a weak Castleberry team as they rolled to a 41-0 victory. The Coyotes continued their winning ways against Hirschi to the tune of

27-14. In the final game of the season, Rider victimized the Coyotes with several long passes and won 28-7.

Because of the realignment of districts by the UIL, 1975 was the last season the Coyotes would play the same district schedule that they had dominated for so long. Although the Coyotes slipped a little, they continued a long string of winning records and were certainly a team of which WFHS could be proud.

COACHES: Front row: Herb Marvel, Bill Page, Donnell Crosslin, Jack Vantrease. Second row: Richard Stone, Ronnie Faulkner, Randy Byers, Don Phillips, Steve Middleton.

The Mall becomes a reality.

Groundbreaking ceremonies.

One of the purposes of the Student Council, the group of students who govern our student body, is to channel the desires and actions of the student body into works that are lasting and beneficial to our school.

The 1976 Student Council has excelled in serving this purpose by planning and raising funds for the Bicentennial Memorial Mall in front of the school. As well as being a work that enhances our school, the mall is a monument to our country's great heritage.

BOARD OF EDUCATION

Members of the Board of Education perform many functions unselfishly, without pay, to make the school system of Wichita Falls what it is. Because of their actions Wichita Falls High School has maintained high standards of education.

W.F.H.S. BICENTENNIAL MEMORIAL

The Wichita Falls High School Student Council proposes to construct a mall approach to the front entrance of the school. The purpose of the project is two-fold; to provide students and alumni an opportunity to take an active role in creating a lasting evidence of their participation in the bicentennial year and to furnish a beautified, outside area for students to use when weather permits.

The mall, extending from the front sidewalk to the lobby of the school, will encompass an area of approximately 6,000 square feet. The surface is to be constructed of exposed aggregate covering the present approach and extending twenty feet each side of the existing concrete. To maintain a level surface out to the sidewalk, red brick planters will be built on each side of the main steps. Six octagonal benches surrounding live-oak trees, plus four straight benches at either side, will provide shaded seating. On each side, wrought iron fencing mounted between brick columns will complete the enclosure.

At the base of the main flag pole will be a bronze plaque worded: "To the Glories of the Past and The Promise of the Future This Mall is Dedicated In the Bicentennial Year 1976 — Students and Alumni Wichita Falls High School."

In the Bicentennial spirit of fresh commitments and new directions, we look upon the Wichita Falls High School campus as a landmark where blending of heritage and inspiration has touched the lives of thousands in our city.

Betsy,

My dear girl, It has most definitely been an
other pleasure to have your acquaintance these
past few years and to share in life's joys and
disappointments. It's a wonder we ever lived
through chemistry. — or did we?

You're one of the few people I know that
can be cheerful almost all the time and
be on friendly terms with everybody.

I'm glad that you were on these terms
with me and I know I'm going to miss you
a lot. Good luck, Betsy!

Love,
Claudia

 I know you will

Betsy,
 It's been 11 years

MICHITA FALLS

Betsy -
I believe this is an appropriate place for me to sign, only in the wrong annual. I have really enjoyed **SOPHOMORES** being in church together, and will really miss you.

President: in Des Moines.
If I don't stay for Festival and the summer trip I want to say

Vice-President: how much you have meant to me (which is virtually impossible), and how you

Secretary: helped me learn the true meaning of friendship.

Treasurer: is still the best but you keep trying and relying on your pride and past tradition.

Sponsors: a sweet great girl that I hope to see in some acting field later in life. (Maybe lighting on Broadway)

Well the room is running out so I'd better end. Stay sweet.
